# APPLICAZIONE

## PITTURA DI FONDO

**1.** Dopo aver preparato il muro applicare 1/2 mani di Pittura di Fondo per Effetti Decorativi. In caso di applicazioni in esterno consigliamo di applicare 1/2 mani di Pittura Riempitiva ad Azione Sinergica.

## FINITURA EFFETTO NUVOLATO

**2.** A completa essiccazione della pittura di fondo, applicare Mágadis utilizzando un guanto in cotone, elaborando l'effetto estetico desiderato.

## FINITURA EFFETTO TAMPONATO

**3.** A completa essiccazione della pittura di fondo, applicare Mágadis utilizzando il Rosotto della linea Griffe, elaborando l'effetto estetico desiderato.

## FINITURA EFFETTO PENNELLATO

**4.** A completa essiccazione della pittura di fondo, applicare Mágadis utilizzando il pennello Seto's della linea Griffe, elaborando l'effetto estetico desiderato.

*N.B. Si consiglia di non interrompere l'applicazione del prodotto a metà parete.*
