Grande formato, cm. 60x60, per un effetto pietra disponibile in quattro colori caldi e naturali che richiamano i colori della famosa Rupe del Pescale, sito archeologico vicino a Sassuolo proprio in prossimità dello stabilimento produttivo di Ceramica Artistica Due. I toni Grigio e Antracite sono colorati in massa, per un effetto ancora più naturale.

Big size, cm. 60x60, with a stone effect available in four warm and natural colours that bring to mind the shades of the famous "Rupe del Pescale", archaeological site next to Sassuolo in proximity of the establishment of Ceramica Artistica Due. The shades Grey and Anthracite are both colour body, for an even more natural effect.

Grand format, cm. 60x60, pour un effet pierre disponible en quatre coloris chaud et naturels qui rappellent les couleurs du célèbre "Rupe del Pescale", site archéologique près de Sassuolo en proximité de l'usine Ceramica Artistica Due. Les coloris Gris et Antracite sont coloré dans la masse, pour un effet encore plus naturel.

Große Formate, cm. 60x60, mit Steinplatteneffekt. In vier warmen Naturfarben erhältlich, die an die Farben des Rupe del Pescale erinnern, eine archäologische Fundstätte bei Sassuolo, die ganz in der Nähe der Produktionsanlage von Ceramica Artistica Due liegt. Bei den Grau- und Anthrazittönen ist bereits die Masse gefärbt, was den Platten ein noch natürlicheres Aussehen verleiht.
