In armonia con la vita.

UMBRIA ANTICA

In armonia con la vita.

Così nasce la bellezza del manufatto che "respira", morbido al tatto e resistente all'usura. In ogni sua applicazione si esprime in un'inconfondibile miscela di tonalità che partono dai colori più freddi come il grigio e l'antracite, fino ad arrivare ai toni più caldi del bianco e nocciola rivelando doti di unicità capaci di trasformare l'ambiente in cui vivi in un autentico capolavoro. Un prodotto materico, ad alte prestazioni estetiche e funzionali che accarezza gli ambienti, esaltando l'architettura e gli spazi, dalla sontuosità classica all'essenzialità contemporanea.

La destinazione finale può essere molteplice: da un casale di campagna, a un palazzo o un locale trendy in città, perché in ogni caso la pavimentazione aggiunge sempre il pregio di una scelta autentica. Questa è la bellezza del prodotto di Tagina: perfetto per entrare nei fabbricati di oggi sia da interno nello spessore 10 mm che da esterno in 20 mm.

In this way a "breathing" product soft to the touch and wear resistant comes to life. In each kind of its employment expresses in a unique mixture of shades that starts from cold colors as grey and anthracite, as to arrive to the warmest shades of white and nut revealing gifts of unicity able to transform your living space in an authentic masterpiece. A matter product, with high functional and aesthetic performances that caresses the environments, exalting the architecture the living spaces, from the classic sumptuousness to the contemporary essentiality.

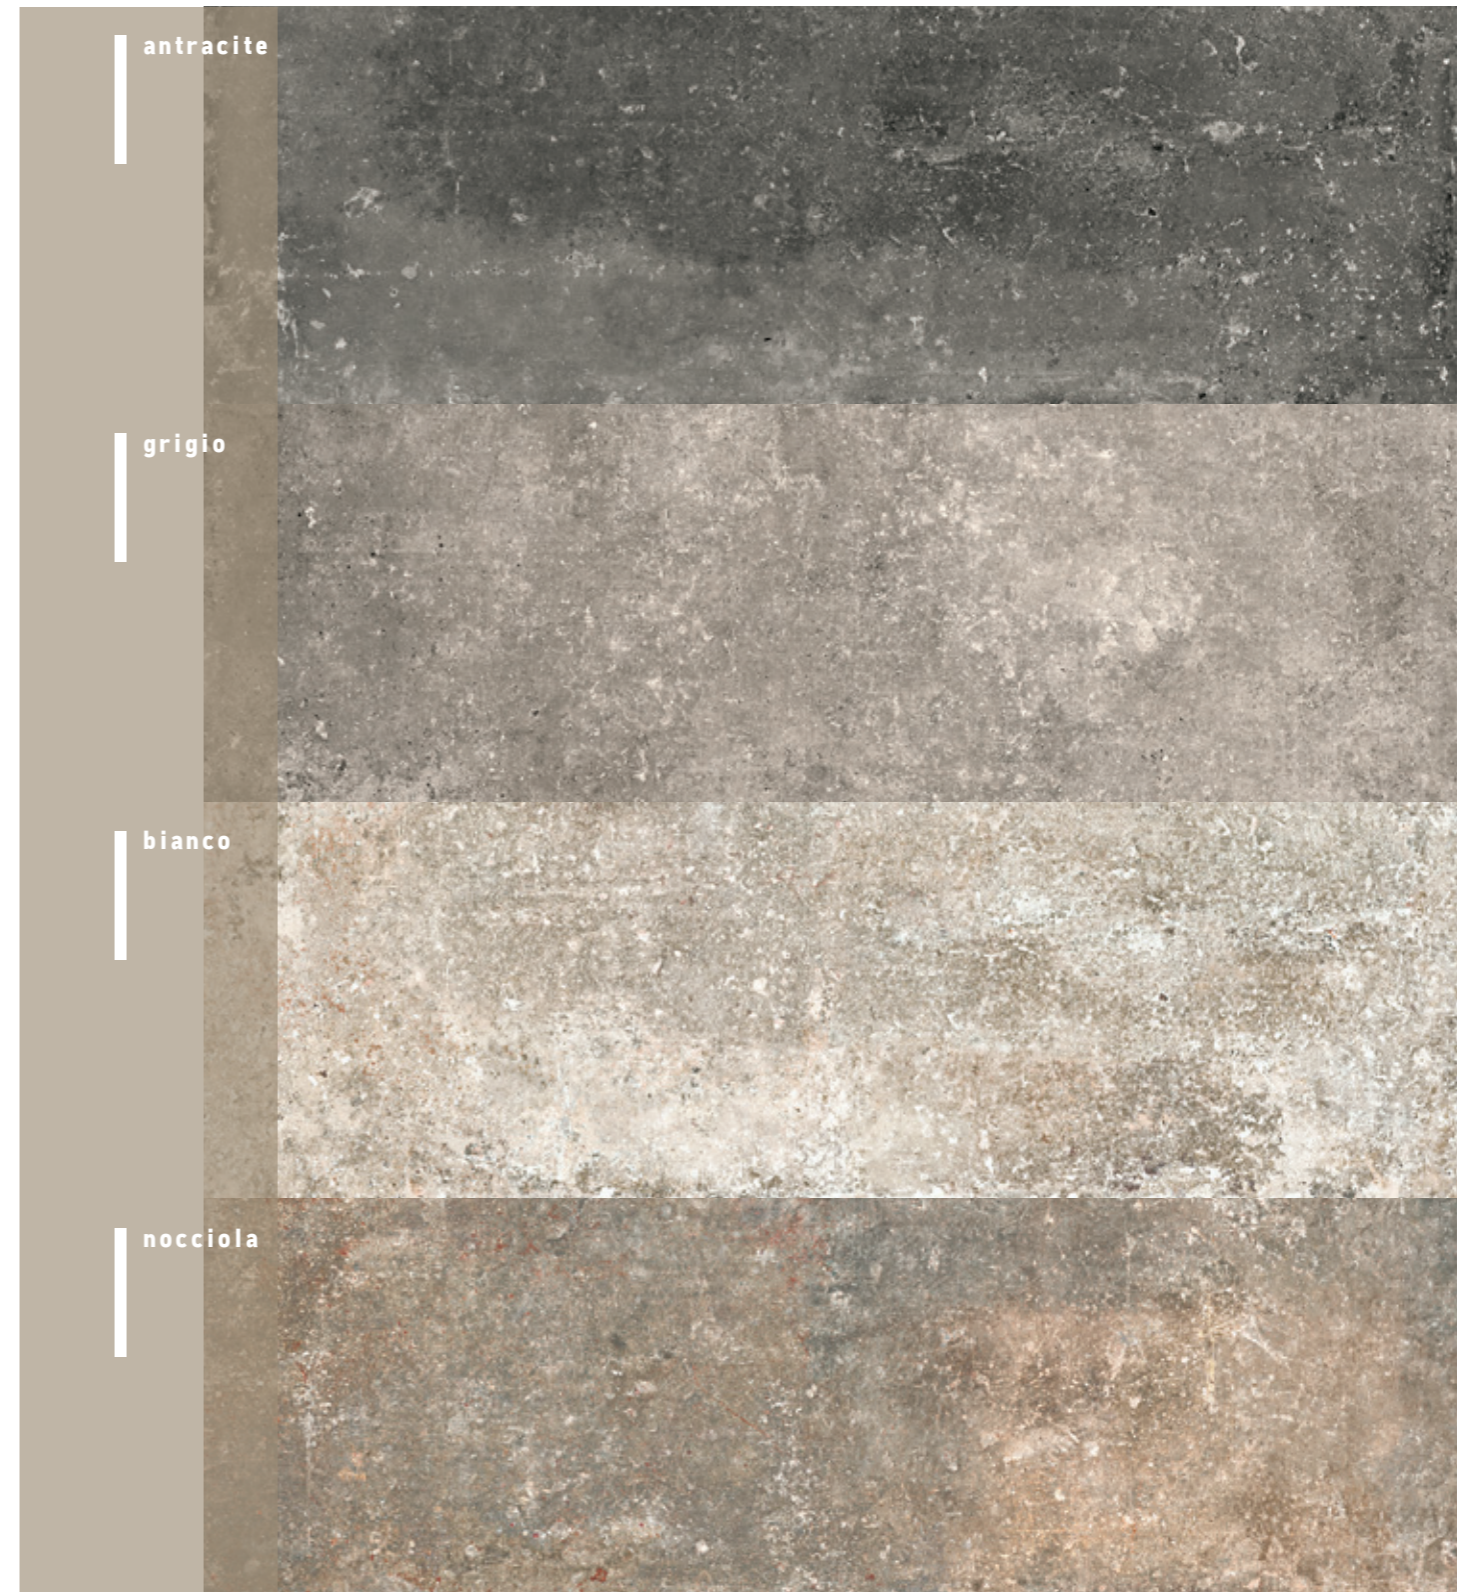

The final destination can be various: from a country farmhouse, to a building or a trendy place in town. Because in any case the flooring has always the value of an authentic choice. This is the beauty of the product Tagina: perfect to enter inside the buildings of today both in 10mm of thickness for indoor and outdoor 20 mm of thickness.
